HELPING HANDS

1,584 CHILDREN

Come Rain or Shine, We Served Them All

After a very busy Back-to-School, hundreds of volunteers, thousands of school supplies, and millions of raindrops, we were able to serve **1,584 children** who might otherwise have returned to school unequipped. The overwhelming support we had from our churches, corporations and private do-

nors both monetary and in-kind contributed to the success of the program. For the first time ever, the Back-to-School Program and all expenses related were almost completely covered. **Thank you, thank you, thank you!**
