HELPING HANDS

BACK-TO-SCHOOL 2008 GOAL:

1,700 CHILDREN

SERVED:

1,804 CHILDREN

Serving 1,804 children is by no means a small task. Getting them each two changes of clothes, a backpack with all of the age appropriate school supplies along with a craft, a puppet show, and a snack was made to look effortless by our 487 volunteers. They were able to fold, sort, organize, cut, stuff, sing, clean, enter data and wear a smile, all in the heat of an Austin summer. This year's program as promised was bigger and better than ever before and we would like to thank the board, staff and volunteers who made it possible. The entire program was a success down to the funding. Thanks to our generous donors Back-to-School was in the black for the second year in a row! We look forward to seeing you all next year when our goal will be 2000 children!
