

*Giving Central Texans hope for
a better tomorrow since 1988*

From Our Executive Director

Dear Friends and Supporters,

Thank you for making 2014 yet another remarkable year for Manos de Cristo! 2014 marked our 26th year of service to Central Texas. Our dedicated staff has done an incredible job of strengthening our programs and services.

A few program highlights include:

- Increasing the number of patients served through our newly expanded Dental Center
- Expanding our education services to a second campus at Covenant Presbyterian Church
- Developing a steady stream of food and clothing donations from various organizations
- Partnering with health service providers to ensure that our patients have a dental home as well as a medical home
- Preparing children for a successful school year

Our ongoing goal is to keep our overhead low while increasing our services, and you truly make this possible! Manos de Cristo is stronger than ever due to our ever expanding community who comes together to donate time, resources, and talent in support of our important mission. This year alone we received over 11,000 hours of volunteer service from over 800 volunteers; and our Board of Directors has helped us dramatically increase our donor base; and served as close advisors in the midst of our growth.

Thank you for wholeheartedly being a part of Manos de Cristo. We are looking forward to much more in 2015!

Blessings,

DENTAL CENTER

A look inside the numbers

The Manos de Cristo Dental Center is a low-cost, bilingual, nonprofit dental center in Austin that provides high-quality services for children, adults and seniors. In addition to emergency care for people in pain, Manos offers a full range of restorative care, such as fillings, crowns, partials, and some periodontal treatment. The Dental Center also provides preventative care, including exams, x-rays, and regular cleanings. With continued support from our community, Manos can continue to help the smiles of those in need.

EDUCATION

Investing in learning

Manos de Cristo offers English as a Second Language, Computer Literacy, Citizenship, and Spanish Literacy classes (Plazas Comunitarias) to help improve work, communication, and life skills. Upon completion of our program, students can pass citizenship exams, communicate online with family members abroad, speak with their children's teachers in English, and receive primary and secondary certificates in Spanish. We offer limited child care services and bus passes to students. Enrollment by semester begins in January, August, and May for all levels.

Substantial evidence shows that increased English capability:

- Brings higher earnings, between 13 to 24 percent more than immigrants who are not proficient
- Stronger attachment to the workforce and more productivity
- Increases income tax payments
- Reduces rates of poverty and lower rates of public benefits
- Improves children's educational and workforce outcomes
